

HOWARD GIGER

Financial Advisor

I am a financial professional that understands life and people. I'd love to make your financial journey one of celebration rather than sorrow. My name is Howard Giger and I am a Financial advisor and proud member of the attooh! Group of Companies, an award winning, Financial Advisor Group with a national footprint. At attooh! we provide a full spectrum of corporate and individual financial services. We assist you in making your financial dreams a reality and strive to add value to both your experience and your life, as we move through the evolution of your financial status.

I have been in the financial services industry since October 2003 and in this time I have held various roles at some of the most prominent Insurance Companies in South Africa, like Standard Bank Financial Consultancy and Discovery Limited. I obtained my National Certificate in Financial Services: Wealth Management Level 5 qualification in 2006, my Regulatory Exams in 2011 and continue to attend Continuous Professional Development courses (CPD) whenever one becomes available. In support of my belief that knowledge is power, I continue to keep up to date with the latest changes in legislation, taxation, products, practices and industry news. I strive to continuously improve my skills and knowledge in all aspects relating to the services and products that I advise on, ensuring that I offer the very best financial solutions to my clients.

My affiliation with the Discovery Group allows my clients to continually receive the personalised solutions they need, as well as to reap the rewards of being a Discovery client, benefitting from Discovery's dynamic product range and innovative rewards structure.

I'm looking forward to our journey together. Our company motto is "We make ordinary people Millionaires and make Millionaires Financially Independent" and this is what I want to do for you. I believe that with my experience, knowledge and my incredible support staff, we can make this a reality. I will work with you to create a holistic, personalised plan to achieve your financial goals and freedom.

More about my background: I have worked at the following companies, before joining the dynamic attooh! Group of Companies:

- Standard Bank
- Standard Bank Financial Consultancy (Linked to Liberty)
- Discovery Ltd

I believe that knowledge is power and that in these uncertain financial times, it is very important to stay abreast of current legislation, taxation, products, practices and industry news. I regularly attend training seminars and am constantly expanding my knowledge. I have a hands-on approach with my clients, making life long bonds in order to assist them in their financial journey from cradle to grave. I believe that "what you put in is what you get out" and always strive to be the best in my field. I'd love to share my knowledge with you and contribute to your holistic financial success.
