CO-AUTHOR OF THE #1 AMAZON BEST SELLER

The Ordinary Millionaire book achieved the number 1 Best Seller status. The purpose of the book is to help and educate you, and to guide you along with the secret steps to take on your journey to financial independence.

The aim is to help you get to that “Ordinary Millionaire” status and more importantly, to enjoy life as one of the few who cracked the secret to Financial Independence and the state “Wealthy, Healthy, and Happy.” Make sure you visit my website to download a copy of The Ordinary Millionaire.

I am a co-author of The Ordinary Millionaire book. Visit my website and download my FREE Book.

If someone asks you, “Are you a millionaire?” your immediate response would probably be NO if you don’t have millions in the bank, right?

We always think that there should be “more to life” and that MONEY would buy us happiness. But, what if someone asks you whether you would trade your family, friends, partner, or your skillset for a million Rand in cash, hmmm then your answer would probably be NO too, right?

The Ordinary Millionaire is attooh!’s financial educational drive. It is based on the fact that YOU ARE indeed a millionaire already. The people you love and the moments of deep, authentic wellness - goes way beyond a life of worldly riches. Your MOMENTS, your happiness, that makes you a millionaire.

The ordinary millionaire is you. It’s me. It’s when we realise that the millionaire-moments and magic of life is in everything that surrounds us...

Once you have bred your internal millionaire mindset, when you start working with what you have rather than resenting what you don’t, you pave a way of true purpose. And then... it’s just a simple formula, a proven recipe, strategy, and commitment that will set you on a journey to complement your millionaire mindset with an external, monetary one.

Every single person has the opportunity to become a millionaire. We feel everyone should have the know-how and the knowledge to do so. The Ordinary Millionaire is an initiative inspired and developed by financial experts that want to equip you.
