*Branch Director / Financial Advisor &
Co-author of The Ordinary Millionaire*

I have a passion for people and my personal aim is to make a significant difference in my clients lives. This is endorsed by one of our corporate values stating : "Love, Serve and Remember", where we commit to a contribution to society.

With more than a decade's worth of experience in the Financial Services Industry I have had the privilege to gear up with the latest technology in Insurance products, which I use in portfolio structuring to ensure my clients gets the best advice that money can buy.

I started my career at Lattace Gilder Financial Consultants in 1999 and at the end of that year joined the Multinet Brokers Group building my experience in the personal financial planning environment.

In 2003 I joined Sirius Capital Consulting that is part of the Firstglobal Group where I attained extensive experience in the corporate financial planning environment. It was at the Firstglobal Group where I decided to implement a dream to start Financial Intelligence Group, a company that specialised in giving financial advice to business owners and their management structure as well.

I would love to further our relationship in anyway possible, with a personal commitment of excellence I believe I can serve your needs, now and in the future!

At attooh! Rayno focuses on accommodating small to medium business owners and their top management. He provides them with a diverse service without loosing the specialisation in each department. Most important to him is quality clients and someone that understands the importance of the short amount of time we have to become financially independent while still passionately enjoying life!

CO-AUTHOR OF THE #1 AMAZON BEST SELLER

The Ordinary Millionaire book achieved the number 1 Best Seller status. The purpose of the book is to help and educate you, and to guide you along with the secret steps to take on your journey to financial independence.

The aim is to help you get to that “Ordinary Millionaire” status and more importantly, to enjoy life as one of the few who cracked the secret to Financial Independence and the state “Wealthy, Healthy, and Happy.” Make sure you visit my website to download a copy of The Ordinary Millionaire.

I am a co-author of The Ordinary Millionaire book. Visit my website and download my FREE Book.

If someone asks you, “Are you a millionaire?” your immediate response would probably be NO if you don’t have millions in the bank, right?

We always think that there should be “more to life” and that MONEY would buy us happiness. But, what if someone asks you whether you would trade your family, friends, partner, or your skillset for a million Rand in cash, hmmm then your answer would probably be NO too, right?

The Ordinary Millionaire is attooh!’s financial educational drive. It is based on the fact that YOU ARE indeed a millionaire already. The people you love and the moments of deep, authentic wellness - goes way beyond a life of worldly riches. Your MOMENTS, your happiness, that makes you a millionaire.

The ordinary millionaire is you. It’s me. It’s when we realise that the millionaire-moments and magic of life is in everything that surrounds us...

Once you have bred your internal millionaire mindset, when you start working with what you have rather than resenting what you don’t, you pave a way of true purpose. And then... it’s just a simple formula, a proven recipe, strategy, and commitment that will set you on a journey to complement your millionaire mindset with an external, monetary one.

Every single person has the opportunity to become a millionaire. We feel everyone should have the know-how and the knowledge to do so. The Ordinary Millionaire is an initiative inspired and developed by financial experts that want to equip you.

DOES YOUR MONEY NEED A "PROFESSIONAL TRAINER"?

Imagine a world where finance is associated with **LIFE, TIME** and **GROWTH** rather than **ANXIETY** and **STRESS**? At attooh! We believe that your financial journey should and could be a journey of enjoyment, fulfilment and escalating success.

It really is time to put **YOU** first. Take control of your finances and allow me, as your Financial Coach to guide you along the way.
